Product Type

Wooden Products

The products within this Product Type are: plastic-free brushes with plant-based bristles and wooden or stainless steel handles.

This Declaration of Conformity is issued under the sole responsibility of the manufacturer. The product complies with the requirements of the following EU regulation: General Product Safety Regulation (GPSR) 2023/988

Risk Assessment

No risks identified.

Materials

Beech Wood sourced from a sustainable forest-certified supplier

Tampico: Pale yellow bristles. Tampico is a heat resistant plant fibre obtained from the leaf ribs of two Agave species native to Mexico. It is resistant to acids and alkalis, has high elasticity and good water absorption.

Union (Tampico and Bassine): Dark brown and pale yellow bristles. Union is a blend of Tampico and Bassine fibres. Tampico is the softer fibre obtained from the leaf ribs of two Agave species native to Mexico. It has high elasticity and good water absorption. Bassine is the coarser fibre which is made from the leaf ribs of the Palmyra palm, native to India and Sri Lanka.

Tampico/Coconut Mix: Dark and light brown coloured bristles. A hard-wearing blend of Tampico and Coconut fibres. Tampico is obtained from the leaf ribs of two Agave species native to Mexico. It has high elasticity and good water absorption. Coconut fibres are obtained from the coconut palm, grown in Sri Lanka and India.

Testing Information

No specific testing requirements. Made by German company operating for over 60 years, certified to ISO 9001:2015a

Product Labelling

To reduce packaging, an information card is supplied with the loose products. This includes information on material, care instructions and name, postal address and email address of manufacturer.

EU GPSR Authorised Representative
